

## Anti-Doping Policy

As an applicant of the Canada Soccer National Youth Club Licence, the St. John's Soccer Club (SJSC) adheres to Canada Soccer's anti-doping policy which has been created in conjunction with CCES and the CADP. SJSC educates coaches, players and parents about this anti-doping policy through staff/volunteer meetings, player/parent meetings and club policy manuals.

The **Canadian Centre for Ethics in Sport (CCES)** is the custodian of the **Canadian Anti-Doping Program (CADP)**; the set of rules that govern anti-doping in Canada. The CADP consists of several components such as in- and out-of-competition testing, education, medical exemptions, and the consequences of doping violations. The CADP is compliant with the World Anti-Doping Code and all international standards.

Canada Soccer has adopted the CCES and CADP which means that the club is a part of a world-class anti-doping program that is designed to protect athletes' rights and ensure a level playing field. Canada Soccer's anti-doping policy reflects and supports the CADP.
